

A Place of *New Beginnings*

A non-profit faith based re-entry program serving the needs of men and women in the Chesapeake City jail.

A Place of New Beginnings is asking you to “Give 8 Ask 8”

A good deed done 21 years ago could lead to financial assistance for **A Place of New Beginnings!**

Sgt. Dan Carney of the Overland Park Police Dept. in Kansas City Mo. helped a man more than 2 decades ago when he ran out of gas on his way to a job interview. The police officer gave the man all the money he had, \$8.00. The man intended to pay back this money. However, he lost the officer's business card. Finding it recently in an old box, he mailed a check to Sgt. Carney reimbursing him for the loan. Inspired by the man's integrity, Sgt. Carney wanted to “pay it forward” as well as inspire others. “Give 8 Ask 8” was created as a way of doing just that. He encouraged the Kansas City community to give \$8.00 to a specific local mission and tell 8 people to do the same.

Now Chesapeake is being encouraged to do the same. A local pastor was inspired to “pay it forward” remembering that he was given a second chance after being incarcerated. It changed his life. **Will you help change the lives of others?**
